Local Contributions In Hospital Drive Hit \$42,222-Mark

House Canvass Starts In S. Nassau Campaign, Mrs. Waaser Reports

Mrs. Gordon Waaser, co-chairman of Freeport, reported at a meeting of the workers in the South Nassau Communities Hospital \$1,250,000 building fund campaign in the Oceanide Junior High School Tuesday night that \$42,222 had been raised in Freeport to date. Ray E. Clements, associate chairman, said Freeport would do its share in making the drive a success. The campaign has gotten off to a big start with \$74,991 reported. Mrs. Waaser also announced that the house-to-house canvass was under way here.

The development of the campaign to raise the \$1,250,000 has been divided into two phases. The first phase, which lasted from August, 1949 until last month, was a public relations phase to educate the public that it was a community hospital, non-profit institution, governed by a board of directors representing the villages which the hospital serves, who give of their time and money and serve without pay. The educational program was also designed to show the desperate need for the hospital facilities, the service record which the hospital has had and in general give the public a better understanding of the hospital's service to the community. The second phase includes active solicitation, started with preliminary work during September and with village meetings and local committees. This was the first overall rally and preliminary report meeting.

Tex and Jinx McCrary, featured guests of the evening, asserted Nassau County has a dangerous shortage of hospital beds and that the health of every resident of the county was endangered by this desperate situation. They added that the non-profit community hospital is the best answer to meet the situation. The Rev. Harold Roy Brennan, of St. Mark's Methodist Church, Rockville Centre gave the address. Theodore J. Bourguignon, general campaign chairman, presided.

Mayor Asks Observance Of Hadassah 'H Day'

Mayor Robert L. Dossie this week issued a proclamation calling on the women of Freeport to join in observing "H Day" Tuesday in bringing to a close the October membership drive of the Freeport Roosevelt Chapter of Hadassah. "I urge all people of good will to join with Hadassah in its noble work in providing medicine and care for the sick, restoring laughter and hope to the children from the ghettos and maintaining and educating thousands of youngsters rescued through the Youth Aliyah movement," the proclamation reads.

Music Lovers Are All Keyed Up For Performances Of The 'Mikado'

Music lovers in Freeport and vicinity are all keyed up for the performances of the Gilbert and Sullivan comic opera, "The Mikado" tomorrow and Saturday nights by the Freeport Community Choral under the direction of Robert T. Davis.

The performances of "H.M.S. Pinafore" and "The Pirates of Penzance" in 1949 and 1949 respectively, with professional smoothness established a reputation for the choral that has won it fame not only in Freeport but for miles around. And everyone is expecting an equally brilliant presentation of "The Mikado" this year. The auditorium of the Freeport High School is sure to be crowded to capacity both nights.

Al Cross has been cast for the comedy role of Ko-Ko. Edmund MacLeish will have the leading part of the Mikado. Gladys Schultz will appear as Yum-Yum, Doris Marie

Mayor Congratulates Irving Tessler at Store Opening

Irving Tessler, owner of Certified Radio, is being congratulated by Mayor Robert L. Dossie at the formal opening of his store in the building he has just had erected on Brooklyn ave. Looking on from left to right are Eddie Vall, Irving Lewis, Attorney Edward Horowitz, Sheriff H. Alfred Vollmer, Village Trustee, Cord Vlebeek, Rabbi Ruben M. Katz, Mr. Tessler, Joseph Goldblatt, Mayor Dossie, Wallace H. Campbell and Trustee William Glacken.

Election Day to Be Freeport Bargain Day

Election Day is also to be Bargain Day in Freeport. The Freeport Merchants Association, under the leadership of Irving Grebliner, is planning for a big day. Every store, affiliated with the association, is going all out to fix prices so low that every one will be amazed.

Sunday Begins Observance Of 1950 Girl Scout Week

Girls Scout Week will be observed Sunday and continuing all next week. Tuesday (Oct. 31) is the anniversary of the birth of Juliette Low, founder of Girl Scouting, in the United States and will be marked appropriately. Girl Scouts have decorated a window of Bausch's Department Store, 61 South Main st., under the direction of Mrs. Lee Sturdy and the display will be continued through Wednesday. Mrs. Monroe Lewis, Mrs. John Malarek and Mrs. Henry Schultz assisted in arranging the display. It will be judged in a competition for the best Girl Scout window among the villages in the South Nassau Council.

Brownies and Girl Scouts are to participate in the ingathering of the Freeport Branch of the Needlework Guild of America, Wednesday at 3:30 P.M., in the Salvation Army. These girls are junior members of the Guild and each year contribute articles of clothing which are distributed among Nassau County institutions with the rest of the material received at the ingathering. Many of the articles to be turned in were made by the girls of the troop.

National Education Week to be Observed Beginning on Nov. 5

Leo F. Giblyn Urges People to Visit the Schools During Period

Leo F. Giblyn, president of the Board of Education, today issued a proclamation setting aside the week of Nov. 5 to 11 as American Education Week, and calling on the people of Freeport to observe it by visiting the schools "of the district" to inspect the work and equipment.

"With a world-wide struggle now going on between the forces of democracy and totalitarianism and with our government engaged in action with other peace-loving nations of the world to preserve the democratic way of life, it is appropriate and imperative for all of our schools to emphasize the important position that education plays in 'Government, Of, By, and For the People.' Education, as we know it today, touches not only the child in our school but every adult as well, in the home, in the school and in the community at large.

This year, the New York State Teachers' Association in cooperation with the National Education Association, the American Legion, the United States Office of Education and the National Congress of Parents and Teachers, are making a special effort to emphasize the schools the responsibilities and obligations of Citizenship. This is indeed an appropriate program at any time in our schools, but it is particularly noteworthy this year when so many of our young men and women are paying the supreme sacrifice. It is eminently fitting and proper that patriotic, educational, religious, civic and fraternal organizations should join hands with the schools of Freeport in the coming observance of American Education Week.

National, state and local organizations having expressed a willingness to cooperate in this event, the purpose of which is to acquaint the public with the activities, ideals, achievements and needs of the schools of Freeport, the Board of Education of Freeport, Freeport and set apart this week—November 5th to 11th—as American Education Week in the Freeport Schools; and hereby invite and request to people of Freeport to visit the schools and inspect the work and equipment in our schools during this period.

"Let American Education Week in 1950 be a period of renewed dedication for our schools."

G. O. P. Club to Hold Torchlight Parade On Wednesday Night

Hall, Bennett and Carlini to Address Rally in A.L. Dugout

The Freeport Republican Club is to stage a motor torchlight campaign parade next Wednesday night. As the club has a membership of more than 1,000, the procession is expected to be a big one. The participants will assemble in the Municipal Stadium, prepared to leave for a tour of the village at 8 o'clock. A reviewing stand is to be erected at Ocean and Brooklyn avenues, from where the officers of the club, Mayor Robert L. Dossie and other officials will observe the motorcade. Music is to be provided by the Freeport High School and Fire Department bands.

A feature of the parade will be the floats which "are to represent the various sections of the village: the northwest, northeast, southwest and southeast. Everett C. Furman is in charge of this feature of the big event. Ralph L. Marshall, president of the club, heads the general committee, and Julius L. Birgenhehl is attending to the decorations. Samuel M. Gerber is to be the parade marshal.

The procession will wind up at the Legion Dugout where a campaign rally will be held. The principal speakers are to be Congressman Leonard W. Hall, State Senator John D. Bennett and Assemblyman Joseph P. Carlini, all of whom are candidates for re-election on the Republican ticket. Sheriff H. Alfred Vollmer, local leader, also will be heard.

Refreshments will be served by Nelson Terry and his committee following the meeting.

Community Council Plans Recreation Center for Ageing

Will Be Located In Legion Dugout Starting Tuesday

The Freeport Community Council will inaugurate a senior age group recreational program in the dugout of William Clinton Story Post, A.L., on Tuesday afternoon any time after 12 o'clock.

Proposed originally by former Village Trustee John F. DeLorme, the council took up the matter last spring and a committee has been working out the details ever since. On the committee are Mrs. Milford B. Hubbs, Mrs. L. S. Yudin, Mrs. James H. Kelly, Mr. DeLorme, Miss Marion Pegley, Mrs. Philip Bloom, Mrs. Arthur W. Harrigan, Mrs. Moxie Rigby and Clarence Genner, a member of the Freeport High School faculty.

Mr. DeLorme, who is retired, came to the realization that people past middle age face many problems, especially concerning what to do with the time they have on their hands. He came to the conclusion that some way should be found to enable them to spend their spare time not only to their advantage, but perhaps for the benefit of the community.

It is the desire of the committee to permit those who participate in such a movement to help shape their own programs. A committee representing the Community Council is sitting in the Freeport Memorial Library this week to interview any older residents of the community who might be interested in attending a center with others of their own ages. They are prepared to answer questions as to the ideas of the committee and to ascertain on the other hand the desires of those the program is planned to serve.

The center will be conducted Tuesdays in the Legion Dugout during hours to be fixed later. Activities will be supervised and it is planned to provide transportation for those desiring to join in the center's activities but would otherwise not be able to get to the Dugout.

Fire Dept. Inspection, Memorial Rites Sunday

The annual public inspection of the members of the Freeport Fire Department and memorial service will be held Sunday afternoon. The inspection will take place at South Main st. and Newton Blvd., at 2 P.M. with Mayor Robert L. Dossie and members of the Village Board participating. The department band will give a concert. After the inspection the firemen will proceed to the Transfiguration P.E. Church for a service in memory of their departed brethren. The Rev. and the department's chaplain, the Rev. Reginald H. Scott, will preach. Chief Robert N. Kinsey has issued an invitation for Freeporters to attend this service.

Saturday marked the half way mark in the Freeport High 1950 football season and it found F. H. S. with a won 4 lost 0 record. The Red Devils scored a minor upset by defeating Jerry Simandi, who was benched with a broken ankle, scored two T.D.'s to put Freeport on the winning side of the fence. Credit goes to Tony Primavera who made several spectacular kicks particularly the all important extra-point kicks.

The dance in the gymnasium was really crowded with underclassmen. However, there was a noticeable absence of Seniors. I guess that Square Dances just don't have appeal of regular dances. The decorating committee under the direction of Laura Jean Vought did a wonderful job on the decorations.

Congratulations to The Lyres Club of Malverne High School which won second place in the song festival held Saturday at Carnegie Hall, Manhattan. First place went to the Boys' Choir of Renaissance.

The new members of the D. E. Sorority, Pat McLeod, Liz Strecker, and Fran Pratt were initiated recently.

Today is X-Day for many F. H. S. pupils—report card day—the day when most of us start dreaming up fancy excuses for the low marks to be found.

At this time we want to extend our sympathy to Fran Kesselman who lost her father last week. We were all very sorry to hear about it.

NEWS AND VIEWS OF F. H. S.

The Seniors are all proudly sporting their new class rings. Marcia Sparino has had the wires removed from her broken jaw to the delight of Roger Sammis—Margie Fudge won fifth place in the National Twirling contest. George Gandioris and "Scarlet" O'Neill. Ray Cardinale and Diane Smith are still going steady. Pat Flynn's steady is known as "Mr. X". The mail still continues to bring happy news to the girls of F. H. S.—the ones whose men are away at college.

Well I seem to be running out of thoughts. . . . SEE YOU AROUND

Charles Hollender, general counsel of the New York State Chiropractic Society and a former official of the New York State Department of Education, addressed the members of the Long Island District No. 12 at a meeting in the Garden City Hotel, Garden City. P. B. C. Plans Hallowe'en Show To Keep Youngsters Off Streets

The Freeport Police Boys' Club is to make a strenuous effort to keep the unruly, younger element out of mischief on Tuesday—Hallowe'en night. A gala Hallowe'en talent show is to be staged in the auditorium of the Freeport High School that night from 7:30 to 11, by which time Patrolman Joseph Romeika, the director, and the other leaders believe all will be tired enough to call it a night, go home and promptly retire.

Herman Stenzler, blind accordionist, who recently won \$1,300 in awards by being proclaimed the winner on five successive nights in the Paul Whiteman talent show telecast from Philadelphia, will top the performers.

Community singing led by Patrolman Romeika will also be a part of the show. Two and one half hours of films which will include Mickey Mouse, Donald Duck, Krazy Kat, and Gene Autry, will be shown.

Parents as well as children are welcome and, in fact, urged to attend the show, the director announced. Children may leave the auditorium at any time. Members of the Rotary Club, Special Police and the Fire Department will be on hand to assist with the supervision. Parents may meet their children if possible, although the P. B. C. is receiving 100 percent cooperation from the Police Department, Romeika said.

Boys and girls may attend in costumes if they wish and it is promised that they will have a good time free of charge. Frederick Wood is stage and musical director, and Erle V. Painter will appear as Master of Ceremonies. The Childrens Theatre Troupe, under Wanka Fisher and Mildred Miller will present talent in cooperation with the P. B. C.

SECOND BAPTIST SERVICES
"God Will Provide" is the theme on which the Rev. R. G. Harris will preach Sunday at 11 A.M. in the Second Baptist Church. At 3:30 P.M., the Sunday School will have its annual rally. The feature will be a youth march and a quartet from Brooklyn will sing. In the evening, the Rev. Mr. Harris will mark his 15th anniversary as pastor of the church.

Dollars and Democrats DON'T MIX!

No steel Most Democrats just don't make sense when taxpayers' dollars are involved.

"Flynn-Tammany" Democrats just can't understand simple arithmetic.
"Flynn-Tammany" Democrats refuse to believe that the Dewey Administration is using over \$802 million in the Capital Construction Fund for a vast program of public works and reconstruction designed to benefit every citizen of New York State.

"Flynn-Tammany" Democrats refuse to admit that dirt is flying, buildings are going up, highways are being built, in the greatest reconstruction program ever undertaken by any State. Democrats just won't believe the record. So here it is again, in part...

STATE CAPITAL CONSTRUCTION FUND IMPROVEMENTS UNDER GOVERNOR DEWEY

- \$333 MILLION FOR HIGHWAYS AND PARKWAYS.
- \$95 MILLION FOR CONSERVATION AND PARKS.
- \$4 MILLION FOR FLOOD CONTROL.
- \$45 MILLION FOR EDUCATION INSTITUTIONS.
- \$110 MILLION FOR MENTAL HYGIENE INSTITUTIONS.
- \$81 MILLION TO ELIMINATE RAILWAY GRADE CROSSINGS.

Your money that created this fund... without increasing taxes (something else "Flynn-Tammany" Democrats can't understand)... wouldn't be very safe in the hands of Tammany Hall.

Your money is riding on this election. You've got to protect your investment in New York State by re-electing Governor Dewey.

You've got to protect your investment in the Federal Government by electing Joe Hanley to the U. S. Senate

'H-Day' To Be Observed Tuesday In Hadassah Membership Drive

"H-Day" is to be observed Tuesday by the Freeport-Roosevelt Chapter of Hadassah culminating a month's membership drive. All prospective members are to be called on by teams of workers and invited to a tea to be given in the home of Mrs. Benjamin Brett Schneider, 255 Pine St., next Thursday night. Plans for the two events were announced by Mrs. Shepherd Tucker, the membership chairman at an executive board meeting held in Temple B'nai Israel.

"The same Hadassah is for years in this community where for not less than four decades it has poured its energies and resources into the great effort to create the State of Israel as a strong hold of democracy in the Middle East," she added, how in the process it has built hospitals and health stations, rescued orphaned children from destitute doom and rehabilitated them for constructive citizenship in Israel, fed thousands of others in the schools and given them vocational guidance, irrigated deserts, reclaimed and reforested wastelands.

"The story of Hadassah is well known to millions of Americans—how for nearly four decades it has poured its energies and resources into the great effort to create the State of Israel as a strong hold of democracy in the Middle East," she added, how in the process it has built hospitals and health stations, rescued orphaned children from destitute doom and rehabilitated them for constructive citizenship in Israel, fed thousands of others in the schools and given them vocational guidance, irrigated deserts, reclaimed and reforested wastelands.

"Just as this organization has worked diligently for the establishment of a democratic Israel, so have its women labored earnestly and effectively to help safeguard and expand the frontiers of American democracy. By being well informed on the vital issues of the day, by knowing how this affects our welfare, Hadassah's women have contributed greatly toward making democracy a living force. Who can question the significance of such an undertaking today, when democracy is facing its sternest trial in the arena of conflicting world ideologies? By building a bridge of freedom from the U. S. to Israel, Hadassah has helped the forces of democracy score a decisive gain.

"Hadassah's national membership has increased from a little group of 12 women in 1912 to close to 300,000. Its record of achievement has been as great. The Freeport-Roosevelt chapter hopes to continue the wonderful work with the addition of many new and enthusiastic members."

Mrs. Nathan Diamond, chairman of Hadassah Medical School reported on the very successful dinner-dance given recently at Casa Seville, Franklin Square for the benefit of the medical organization.

Mrs. A. R. Schwartz announced that a show for children would be held on Nov. 7 (Election Day) in the Nassau Theatre in Roosevelt. Hadassah's Youth Services will benefit from this event. The attraction will be a cowboy magician, Richard Dubois.

The regular meeting of the chapter will be held Monday night, Nov. 6, at the Temple B'nai Israel, when a musical play entitled "Alice in Quota Land" will be presented by the Hadassah Players. It will be directed by Sol Silver of Freeport. The original play was written by Mrs. Allen Garber of Roosevelt.

Recreation for Ageing Freeporters

There are probably hundreds of ageing people in Freeport who are longing to find something to do in the spare time they have on their hands. They may be men who have retired from active business life, and women living in the home of their sons and daughters who just do not know what to do to while away the time. There may even be some who are living in ungenial surroundings from which they would like to escape.

Realizing this, the Freeport Community Council, first in numerous projects, has undertaken another task, the establishment of a Senior Age Recreational Program. This venture will get under way next Tuesday with the opening of a center in the Dugout of William Clinton Story Post, A. L., where people past middle life will be enabled to meet weekly, become acquainted with each other and take advantage of the facilities to be offered by a committee of the Community Council. However, the Council plans to give those participating in the program opportunity to develop their own activities.

Games may be played and eventually the group is expected to engage in various arts and crafts and other time-passing and instructive endeavors.

This is an ambitious program which should find high favor with the residents of Freeport it is designed to serve.

Scanning The Sports Scene

By DICK SCHAAAP

Freeport's undefeated Red Devils, adding Sewanhaka's scalp to their trophies, have a breather this week against Far Rockaway, winners of one game in three years.

Tony Lopresti, replacing the injured Jerry Simandl, and Skip Ulp were the bright spots in the Freeport array. Lopresti tallied twice and Ulp scored once and passed to another marker. However, the entire team was brilliant in their aggressiveness and determination.

The win was surprisingly easy for the Devils although it may prove costly. Several players, including Hank Natterer and Joe Muro, suffered minor injuries.

Ulp's six-pointer lifted him to third place in the Nassau County scholastic scoring race behind Mepharm's Greg Maushart and Manhasset's Stan Kushay.

The leader has 43 points while Ulp has 31. Tony Primavera booted two perfect placements, one from the 17 yard line, to make him tops in that department in the county.

Freeport, after the Far Rockaway test, must meet three opponents with fine records. Two are undefeated and the other is undefeated.

Baldwin remained undefeated by scoring twice in the final six minutes of play to nip Central 14-7. Charlie Shaw and Tom Aslip were responsible for the scores.

A 41 yard touchdown jaunt by George Ellis enabled Mepharm to stay undefeated for the first time this season.

CONTEST NEWS—The entries in last week's contest were the most yet. Keep sending in your entries and congratulations to this week's winner.

PIGSKIN PICKS—Last week, we hit on all four cylinders for a total of eleven correct winners and only one wrong. Our season totals now stand at 40 right and 15 wrong for a sizzling 72.7 percentage. Our first pick this week is an easy one, Freeport over Far Rockaway by 26 points. We'll stick with undefeated Baldwin over winless Hempstead by a touchdown. We like Mepharm over Mineola by a pair of tallies. In two very important North Shore battles, we pick Westbury over Hicksville by six points and Manhasset over Roslyn by the identical margin. Our choices in the other engagements are Oyster Bay over East Rockaway, Farmingdale over Oceanside, Garden City over Brookville, Sewanhaka over Glen Cove, Lawrence over Central, Long Beach to reverse their setback by South Side and Lynbrook over Malverne. As a sleeper, look out for Glen Cove. They're much better than their 1-3 record would indicate.

ALUMNI FLASHES—Walt LaPrairie continues his devastating passing onslaught as the expense of N.Y.U. in Rutgers' 42-0 massacre of the Violets. Bob Leagan was again a key factor on defense in Colgate's third consecutive win, 21-12 over Bucknell. Chris Sweeney and Ed Boyle saw action in Fordham's win over West Virginia. Hank Paris and Ozzie Sadler continue to sparkle as semi-pros. Bob Kobel is firmly established as defensive tackle for Hofstra as is Pete Lampasina at the center post. Jack Plunkett and Carl Simone continue to shine for Hofstra's undefeated fresh squad. Simone recovered a fumble in their most recent encounter while Plunkett accounted for one of the tallies.

BEITTERICK ASKS PERMIT FOR BLUHKED, DREDGING
George Beitterick, 23 Woodcliff ave., has applied to the Office of the District Army Engineer, 80 Lafayette St., Manhattan, for a permit to construct a bulkhead and dredge in Woodcliff Canal, Col. E. P. Ketchum, the district engineer, announced this week.

He said Mr. Beitterick proposed to construct approximately 100 feet of timber bulkhead and dredge adjacent thereto to a depth of five feet below mean low water at the northwest corner of Woodcliff Canal. The top of the bulkhead is to be at an elevation of about 5.5 feet above mean highwater. The dredged material is to be disposed of shoreward of the bulkhead.

ODE TO DAVE LEVY

By BETTY EGAN, 171 Oralg Ave., Freeport

Who gives his best for Freeport
To make this a better town?
In every civic venture,
He'll never let you down.

Don't ever try to beat him
Eating steamed clams, 'cause I know;
He'll win the contest every time,
And take away your dough.

His hobby was to punch a bag,
And baseball, he loved too!
Don't ever sell this fellow short,
'Cause he always will come through.

A merchant with a twinkling eye,
Who fondles his lapels;
And tries to give each customer
The best in what he sells.

I'm proud to help identify
This man, not yet on TV.
But he's the tops in our town,
Your friend and mine, DAVE LEVY.

(He won this award for three consecutive years)...

JUST FOR A SMILE (or "Ain't it the truth?")... There was once a little village which was suffering from growing pains. It seems that a residential street suddenly became spot-lit by a building boom. The civic association covering that area became alarmed at the excessive speeding of passing motorists. They requested the village fathers to take protective steps and over-night, "stop" signs appeared at the various corners. The first violator, a woman, went through the stop signs light "water through a tin-horn." However, the village not only had the signs erected, but also instructed the police department to enforce the regulations. The motorcycle patrolman on duty was named "Maude Spryner." He spotted her like a beagle spots a pheasant. With book in hand he started to write the ticket. "You can't give ME a ticket!" said she. "My husband's a big-shot in the civic association." Now that's the wrong thing to say, says to Officer Trayner. She got the ticket. Pay-off to her husband is a wheel in the struts, and they were the ones who complained the loudest about the speeding...

Dodge Dealers Form Advisory Conference

General Good Will
Seeks to Promote
Meeting in Detroit

DETROIT, MICH., Oct. 26—Forty-seven representative Dodge dealers from all sections of the nation met in Detroit recently to formulate plans for forming a Dodge Dealers' Advisory Conference in the interest of further perfecting the good will and understanding existing among customers, dealers and the factory.

The first Dodge Dealers' Advisory Conference concluded four busy days by selecting temporary officers and committees and by unanimously passing a resolution commending Dodge officials for their assistance in arranging the conference.

The dealers assembled in Detroit following many weeks of visits into the field by L. L. Colbert, vice-president of Chrysler Corporation and president of its Dodge Division, and E. C. Quinn, general sales manager of Dodge. Mutual benefits derived from these conferences caused Dodge officials to invite 47 dealers ranging from metropolitan to small town dealers to visit Detroit and work out details of making these valuable factory-dealer conferences a regular activity.

Previously announced by Mr. Quinn, L. J. Ouellette will devote full time working with any permanent organization set up as a result of the first dealers' conference. Mr. Ouellette has been with the Dodge sales division since 1917 and during the last several years became personally acquainted with most of the 4,100 dealers in his post as director of distribution.

James A. Mason, of Ferndale, Mich., was selected temporary chairman and G. H. Thornton, of Philadelphia, temporary secretary at the conference. C. M. Bishop, of New York City, was named chairman of a temporary committee to set up a permanent organization and list its objectives. Other members include Frank P. Burton, Ogallala, Neb.; Gordon Powell, Seattle, Wash.; David G. Kelly, Grand Forks, N. D.; and Harold W. Frehn, Springfield, Ill.

The temporary advertising and merchandising committee selected includes Joseph B. Trew, chairman, Washington, D. C.; Joseph M. Bloch, Indianapolis, Ind.; James F. Goodwin, Chicago, Ill.; Charles H. Spencer, Wichita, Kan.; and John W. Hutchins, San Jose, Calif.

What U. S. Must Do

Chester L. Barlow, professor of history at Adelphi College, cited several instances in which he asserted this country had "muffed" opportunities in its foreign policy, particularly in its dealings with Russia in an address delivered at the weekly dinner of the Rotary Club Thursday night in the Elks clubhouse. Among other things he said this country took it for granted that Russia would be so gratified with the aid received from the United States in 1945 it would not seek to enforce its Communistic views on the land. In this he showed "we" were mistaken.

Prof. Barlow said that in the democracy as it is understood here and that therefore they cannot be expected to function as this country does. He expressed the opinion that technical advice, loans, food and social justice are needed to meet the situation in the East.

The professor said that the best refutation to Malik's charge that the United States was imperialistic in going to the aid of the Southern Koreans when they were attacked by the Communists of the North was to point to the fact that Russia had seized 1,000,000 square miles of territory in recent years while the United States was granting independence to the Philippines and Great Britain was doing likewise to India.

Red Cardinal to Drop Toy and Doll Department

The Red Cardinal Gift Shop, located at 232 North Grand ave., opposite the North Baldwin Post office is discontinuing its toy and doll department. To expedite this change, a final, complete and genuine sale (at drastically reduced prices) will start tomorrow and continue until all these articles have been sold. This is an opportunity for the thrifty buyer who can anticipate his or her needs for the approaching Christmas, birthday or other juvenile gift.

Sandy Martyn, owner of the Red Cardinal Gift Shop, announced today he was extremely pleased with the response of the people of Baldwin and surrounding communities to his efforts to serve them.

Mountcastle Assumes Legion Commandership

Charles F. Mountcastle, who became commander of William Clinton Story Post, A.L., following the recent resignation of Oscar J. Pultz, presided at the semi-monthly meeting held Friday night in the Dugout. At the same time M. Gordon Simonson was advanced from second to first vice-commander, and Frederick W. Batcher from third to second. The vacancy in the office of third vice-commander is not to be filled until January.

Kenneth E. Vought, chairman in charge of services to be conducted in the Municipal Building on Armistice Day, Saturday, Nov. 11, at 11 A.M., announced the program. The address is to be delivered by Major Ernest W. Newton, commander of the Salvation Army, while the Rev. R. G. Harris, pastor of the 2nd Baptist Church is to give the invocation and pronounce the benediction. Marguerite Calabrese will recite the selection with which she won honors in the Legion speaking contest last spring. A chorus of elementary school pupils will sing appropriate selections under the direction of Miss Wilma Bruner.

Mr. Vought has issued an invitation for the various patriotic and military organizations of the village to be represented at the service. William Salsgamer announced that the Armistice Day dance to be held in the Dugout would start at 9 o'clock with the usual 11 o'clock exercises.
